What you decide next

Recover what was found using the suggested fix on each flag, then choose Core, Growth or Scale for on-going monitoring, or walk away at no cost.

HOW THE FREE 7-DAY HEALTH CHECK WORKS

STEP 1

Connect

Grant read-only access to HubSpot and Xero in a couple of minutes. No setup project, and nothing is ever written back to your systems.

STEP 2

Review

Auditor Alpha reconciles your last 60 days of deals against invoices, then keeps checking every 2 hours for the full 7 days.

STEP 3

Receive findings

Get a Health Check report with revenue at risk, every mismatch and a suggested fix. Share it with as many people as you like.

STEP 4

Decide

Recover what was found, then choose Core, Growth or Scale for ongoing monitoring, or walk away at no cost.

Run this on your own HubSpot and Xero data

Free for 7 days · read-only · no card required to start
